ANNUAL REPORT TO COUNCIL

**State of the City**

February 4, 2019

Today I am delighted to communicate to you that the state of the City is very strong and fiscally sound. The year 2018 was marked by adaptations, additions, and accomplishments. We are entering the new year with a great deal of monetary momentum and justified optimism. Shelby is in this blessed Municipal condition as a result of careful planning, discipline and willing partnerships all across the board.

Once again, it has been my privilege and pleasure to work closely with Finance Director Steven Lifer, Law Director Gordon Eyster, Project Coordinator Joe Gies, Deputy Director of Finance Amber Cutlip, Deputy Director of Public Service John Ensman, City Hall Staff, Police Chief Lance Combs, Fire Chief Mike Thompson and the dedicated members of Shelby City Council, namely: Councilman Charlie Roub, Councilman Derrin Roberts, Councilman Garland John Gates, Councilman Nathan Martin, and Councilman Steve McLaughlin.

President Reagan was wont to say, "There is no limit to the amount of good you can do if you don't care who gets the credit." We have a lot of good things that happened in 2018 and I want to give a good deal of credit to this Shelby City Council. We presently have an experienced Council that knows how to deal with initiatives and pieces of legislation with thoroughness and efficiency. Hence, together, we were able to get things done in a timely manner.

In 2018 we held ribbon-cutting celebrations for: Arby's Restaurant, Pivot Creative, Johnson's Unique Antiques, Ace Hardware, East of Chicago Pizza, Rabold Park Dog Park, Lloyd Rebar, and our brand new, state-of-the-art Fire Station.

After years of patient perseverance, the alternative access drive to and from the Drug Mart Plaza was completed in October.

The City Administration hosted another successful Business First Breakfast in February of last year. These events provide connectivity between Shelby businesses/industries and City government.

Mr. Gies, Mr. Ensman, and I are working with the leadership team of the Clean the Black Fork Project Phase 2 in order to provide guidance and floodplain management strategies.

It appears, that in the very near future, we will be preparing a presentation in regard to the "infrastructure of the future" – Shelby Municipal Broadband.

Shelby is truly a one of a kind City! We are not only blessed to live and work here, but we are also privileged to be public servants to the families and individuals that call this place home. Let us pledge afresh and anew to serve with creditability, common sense, and compassion.

God bless you. God bless the City of Shelby, God bless the United States of America.
