AMENDING CHAPTER 881 (EARNED INCOME TAX REGULATIONS EFFECTIVE BEGINNING JANUARY 1, 2016) OF THE CODIFIED ORDINANCES OF THE CITY OF SHELBY TO ADOPT SECTIONS 718.80 THROUGH 718.95 OF THE OHIO REVISED CODE.

WHEREAS, House Bill (H.B.) 49 of the 132nd General Assembly, the State's general appropriations bill for the biennium, includes Section 803.100 purporting to require that municipalities, on or before January 31, 2018, adopt certain municipal income tax provisions that are also adopted within H.B. 49 to authorize State officials to collect and administer municipal net profits taxes; and

WHEREAS, Section 803.100 of H.B. 49 references and relies upon Section 718.04(A) of the Ohio Revised Code, which purports to make municipal income taxing authority conditional upon a municipality's adoption of code sections as dictated by the State; and

WHEREAS, Although the municipal income tax provisions of H.B. 49 and Section 718.04(A) of the Ohio Revised Code violate the Home Rule Amendment to the Constitution of the State of Ohio, the City of Shelby nevertheless is compelled to adopt H.B. 49's municipal income tax provisions, on or before January 31, 2018, to avoid any doubt or taxpayer challenge as to its ability to impose a municipal income tax under the terms of Section 803.100 of H.B. 49 and Section 718.04(A) of the Ohio Revised Code; and

WHEREAS, The City is a party to ongoing litigation seeking a declaration that the H.B. 49 municipal income tax provisions, Section 718.04(A) of the Ohio Revised Code, and other provisions of Ohio law that usurp the powers of local self-government are unconstitutional, and to enjoin all actions by state officials to implement the H.B. 49 municipal income tax provisions; and

WHEREAS, The City, by enacting this Ordinance, does not concede the legality of H.B. 49's municipal income tax provisions, Section 718.04(A) of the Ohio Revised Code, or any other law that is subject to the suit in which the City is participating, and reserves its right to continue prosecution of that lawsuit.

Section 2: That all other sections of Chapter 881 shall remain in full force and effect.

F. *Terms of payment.* The net amount billed is due on the fifteenth day of the month.

G. *Credit for maintenance of primary service.* When the customer furnishes and maintains the complete substation equipment, including any and all transformers and/or switches and/or other apparatus necessary for the customer to take service at the voltage of the primary transmission or distribution line from which the customer is to receive service, a credit shall be applied as follows:

All delivery voltages: \$0.15/kVa

H. *Power factor.* The average power factor shall be determined for each month by comparing the kilowatt hours of power consumed during the month with the reactive power consumed during the month. When the average power factor, as determined by continuous measurement of lagging kVars, is less than 90%, the billing demand (kVa) shall be determined by multiplying the maximum demand (kW), shown by the demand meter for the billing period, by the multiplier as indicated in the calculation below:

$$1 + (.9 - pf)$$

where:

pf = customers' power factor

Any relocation of a lighting unit shall be at customer's expense.
2. Where additional facilities are required, the customer shall pay, in advance, the total installation cost for the additional distribution facilities (poles, wires, transformer and appurtenances) as are required. In all cases, the lighting fixture itself, including lamp, will be installed, owned, operated and maintained by utility.
3. This service is available only where there is reasonable assurance that the service to be furnished will be permanent. Utility reserves the right to refuse to furnish such service when, in utility's opinion, the installation will not be of permanent character.
4. All applications for outdoor security lighting service shall be on a 12-month year-round service basis. Where the premises are occupied by a tenant, utility reserves the right to require the application for service to be made by the property owner with bills to be sent to the premises to the attention of the tenant. However, the property owner shall be responsible for the payment of the bills.

The Transition Cost Rider, Generation Charge and Fuel and Purchased Power Charge shall be applied to the A, A-D, B, C and D Schedules. The rate design of the generation charge and fuel and purchased power charge may be changed from time to time as approved by Council.

(1) *Generation charge.* The generation charge shall be \$0.0062 kWh

(2) *Determination of fuel and purchased power charge.* The Fuel and Purchased Power Charge shall be derived every three months by dividing (1) the past 12 months' cost of fuel and purchased power, including the cost associated with transmission-related services (hereinafter referred to as "previous 12 months' cost", by (2) the sum of the past 12 months' net kilowatt hours generated and purchased multiplied by 0.94 (hereinafter referred to as "previous 12 months' net kWh").

Previous 12 months' cost (numerator)	Fuel / Purchased
Previous 12 months' net kWh × 0.94 (denominator)	Power Charge
	=

(3) *Determination of Transition Cost Rider.*

A. The Transition Cost Rider shall be calculated and implemented upon the offering of Open Access Service.

B. Transition costs shall be calculated yearly. Transition costs are generally defined as the difference between purchased power costs of those sources where construction costs, market price at the time of contractual obligation, and/or other factors may cause the fixed and/or average cost of that power to be significantly higher than average market prices. The Transition Cost Rider may be adjusted each year based on projected market price, average cost of power from transition cost sources, fixed costs of contracted power supply, implementation costs of the offering of Open Access Service, and sales of the previous year. A reconciliation of over or under recovery of transition costs is taken forward to the next year as a debit or credit to transition costs. Projected transition cost recovery is allocated between demand and energy costs and credited to total demand and energy costs of generation. This credit ensures that there will be no double recovery of transition costs.

(4) *Project development and construction rider.* The rates and charges set forth in the current city electric rate schedule may be increased for the purpose of providing funding for the city's share of the developmental and/or construction costs associated with projects undertaken by the city independently or

in conjunction with a third party in furtherance of the city's goal to provide the city's electric utility consumers with the most economic, environmentally sound and reliable source(s) of power.

May 1, 2001, as part of the usage period and shall thereafter be automatically adjusted to reflect any change in the kilowatt-hour tax imposed by R.C. § 5727.81 increase in the current schedule that reflects the following:

- (1) For the first 2,000 kWh delivered, the tax rate shall be \$0.00465 per kWh delivered.

Section 2. (a) The Bonds shall be issued in one lot and only as fully registered bonds, in the denominations of \$100 or any whole multiple of \$100 in excess thereof, but in no case as to a particular maturity date exceeding the principal amount maturing on that date; provided that, if the Original Purchaser (as defined in Section 6) shall so request, a single fully registered Bond, in printed or typewritten form, may be issued with multiple maturities of principal in amounts equal to the principal amounts of Bonds stated to mature on the respective dates upon which principal shall be payable. The Bonds shall be dated as of the date of their issuance.

(b) The outstanding principal amount of the Bonds, which shall be equal from time to time to the aggregate installments of purchase price paid by the Federal Government to the City from time to time pursuant to Section 6 hereof less the principal of the Bonds retired as provided in accordance with subsection (c) of this Section, shall bear the rate of interest per year (computed on the basis of a 365-day year), not exceeding 3.50% per year, as shall be determined and specified by the Director of Finance and Public Record in the certificate signed in accordance with Section 6 of this Ordinance (the Certificate of Award). Unless otherwise determined in the Certificate of Award, interest on the Bonds shall be payable annually on June 1 of each year (the Interest Payment Dates), commencing June 1, 2019, until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from the date of the Bonds.

(c) Unless otherwise specified by the Director of Finance and Public Record in the Certificate of Award, the Bonds shall mature on June 1 in the following years (the Principal Payment Dates) and principal amounts:

<u>Year</u>	<u>Principal Amount</u>	<u>Year</u>	<u>Principal Amount</u>
2019	\$3,800	2024	\$4,900
2020	4,300	2025	5,100
2021	4,400	2026	5,200
2022	4,600	2027	5,400
2023	4,700	2028	5,600

provided that, subject to the limitations set forth in Sections 1 and 3, the principal amount of Bonds maturing on one or more of the Principal Payment Dates may be increased or decreased as specified by the Director of Finance and Public Record in the Certificate of Award, consistently with his determination of the best interest of and financial advantages to the City.

So long as a single fully registered Bond with multiple maturities of principal in amounts equal to the principal amounts of Bonds stated to mature on the respective dates upon which principal shall be payable the Bonds, registered in the name of the Original Purchaser, is held by the Original Purchaser, the principal of that Bond shall be subject to redemption by and at the sole option of the City, in whole or in part, at any time prior to maturity at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice to the Original Purchaser from the Director of Finance and Public Record, given upon the direction of this Council by passage of an ordinance. That notice shall specify the redemption date and the principal amount of Bonds of each maturity to be redeemed and shall be given at least 30 days prior to the redemption date or such shorter period as shall be acceptable to the Original Purchaser. If less than all of the outstanding principal of that Bond is called for optional redemption at one time, the principal shall be called in inverse order of maturities and in a whole multiple of \$100. In the event that notice of redemption shall have been given to the Original Purchaser as provided above, the City shall pay to the Original Purchaser on or prior to the redemption date, moneys that will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the principal of the Bond or portions thereof to be redeemed. The principal of the Bond and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of Section 4, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, have been provided to the Original Purchaser on or before the redemption date, so as to be available therefor on that date, then from and after the redemption date the Bond or the portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so provided on or before the redemption date, the Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption.

Section 3. The rate of interest per year to be borne by the Bonds, and the principal amount of Bonds maturing on each Principal Payment Date, shall be such that the total amount of principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the total amount of those payments in any other such fiscal year.

Section 4. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar. Principal of the Bonds shall be payable when due upon presentation and surrender of the Bonds at the office of the Bond Registrar. Interest on the Bonds shall be payable on each Interest Payment Date by check or draft mailed or otherwise delivered to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register (as defined in Section 5 hereof), at the close of business on the 15th day of the calendar month preceding that Interest Payment Date. Notwithstanding the foregoing, if a single Bond with multiple maturities of principal in amounts equal to the principal amounts of Bonds stated to mature on the respective Principal Payment Dates is issued to represent the entire issue, principal and interest shall be payable upon presentation of the Bond to the Bond Registrar for the proper endorsement of such payments (and surrender upon final payment) or in such other manner as may be agreed upon by the Director of Finance and Public Record, in the name and on behalf of the City and as the Bond Registrar, and the Original Purchaser, including without limitation, so long as the Original Purchaser is the registered owner of the Bond, payment of (i) the principal of the Bonds payable on each Principal Payment Date by wire transfer of

immediately available funds to the registered owner, without presentation or surrender thereof, to an account in the United States as the registered owner will direct in writing to the Bond Registrar, provided that in connection with the payment of the final installment of principal of the Bonds, the registered owner shall present and surrender its Bond at the office of the Bond Registrar, and (ii) interest payable on the Bonds on each Interest Payment Date by wire transfer of immediately available funds to the registered owner to an account in the United States as the registered owner will direct in writing to the Bond Registrar.

Section 5. The Bonds shall be signed by the Mayor and the Director of Finance and Public Record, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the authorized denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance and Public Record, shall be numbered as determined by the Director of Finance and Public Record in order to distinguish each Bond from any other Bond, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the Chapter 133 of the Ohio Revised Code and Section 133.03(C) thereof, this Ordinance and the Certificate of Award.

The Director of Finance and Public Record is hereby appointed to act as the paying agent, bond registrar, authenticating agent and transfer agent (herein referred to collectively as the "Bond Registrar") for the Bonds.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by Director of Finance and Public Record, as Bond Registrar.

So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at the office of the Bond Registrar. The person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of any authorized denomination upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings as the Bonds surrendered upon that exchange or transfer.

Section 6. The Director of Finance and Public Record is authorized to sell the Bonds at private sale to the United States of America, acting through the Rural Housing Service, United States Department of Agriculture (the Original Purchaser) at a purchase price, not less than 100% of the aggregate principal amount thereof on terms provided for herein as shall be determined by the Director of Finance and Public Record in the Certificate of Award, plus accrued interest on the

Bonds from their date to the Closing Date, and shall be awarded by the Director of Finance and Public Record, in accordance with law, the provisions of this Ordinance and his determination of the best interests of and financial advantages to the City and its taxpayers, with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award.

The Director of Finance and Public Record shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared, signed, authenticated and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser. The Original Purchaser shall pay the purchase price of the Bonds in one or more installments, such installments to be noted by the Original Purchaser on a schedule attached to the Bonds.

The Mayor, the Director of Finance and Public Record, the Director of Law, the Clerk of Council and other City officials, as appropriate, each are authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

Section 7. The proceeds from the sale of the Bonds, except any premium and accrued interest, shall be paid into a separate fund of the City, which fund is hereby established pursuant to Section 5705.10 of the Revised Code, and those proceeds are hereby appropriated and shall be used for the purpose for which the Bonds are being issued, including payment of financing costs incurred in connection with the issuance of the Bonds. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund to be applied to the payment of the principal of and interest on the Bonds in the manner provided by law.

Section 8. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, and (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Bonds are hereby designated as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code. In that connection, the City hereby represents and covenants that it, together with all its subordinate entities or entities that issue obligations on its behalf, or on behalf of which the City issues obligations, in or during the calendar year in which the Bonds are issued, (i) has not issued and will not issue tax exempt obligations designated as "qualified tax exempt obligations" for purposes of Section 265(b)(3) of the Code, including the Bonds, in an aggregate amount in excess of \$10,000,000, and (ii) has not issued, does not reasonably anticipate issuing, and will not issue tax exempt obligations (including the Bonds, but excluding obligations, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code, that are private activity bonds as defined in Section 141 of the Code and excluding refunding obligations that are not advance refunding obligations as defined in Section 149(d)(5) of the Code) in an aggregate amount exceeding \$10,000,000, unless the City first obtains a written opinion of nationally recognized bond counsel that such designation or issuance, as applicable, will not adversely affect the status of the Bonds as "qualified tax exempt obligations". Further, the City represents and covenants that, during any time or in any manner as might affect the status of the Bonds as "qualified tax exempt obligations", it has not formed or participated in the formation of, or benefited from or availed itself of, any entity in order to avoid the purposes of subparagraph (C) or (D) of Section 265(b)(3) of the Code, and will not form, participate in the formation of, or benefit from or avail itself of, any such entity. The City further represents that the Bonds are not being issued as part of a direct or indirect composite issue that combines issues or lots of tax exempt obligations of different issuers.

The Director of Finance and Public Record, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (a) to make or effect any

election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation, any of the elections provided for or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on the Bonds or the tax status of the Bonds.

Section 9. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

Section 10. This City Council hereby finds, determines, declares, ratifies and confirms its acceptance of the Loan and the USDA Grant and ratifies and confirms all actions of City officials and others relating to the application for and acceptance thereof, including all actions of any and all City officials relating thereto.

Section 11. The Clerk of Council is directed to promptly deliver a certified copy of this ordinance and a copy of the Certificate of Award to the County Auditor of Richland County, Ohio.

Section 12. This City Council determines that all acts and conditions necessary to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City of Shelby have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 13. The legal services of the law firm of Squire Patton Boggs (US) LLP be and are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery a related legal opinion, all as set forth in the form of engagement letter dated as of June 18, 2018, now on file in the office of the Director of Finance and Public Record. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. The Mayor is authorized and directed to sign and deliver the engagement letter, and the Director of Finance and Public Record is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that Firm.
