

**REQUEST FOR QUALIFICATIONS
PROFESSIONAL DESIGN SERVICES
WASTE WATER TREATMENT PLANT
ENGINEERING**

The City of Shelby intends to contract for professional engineering services related to the renovation of the Shelby Wastewater Treatment Plant. Engineering firms interested in being considered for a contract to provide the required services should reply with a Statement of Qualifications not later than **4:30 P.M.** local time, on **January 30, 2015**. Statements received after this deadline will not be considered.

Information on the requirements of the qualification statement can be found on the City of Shelby website at <http://www.shelbyohio.org/index.php/visitors/utilities/sanitary-sewer>. A copy of the City of Shelby Wastewater Treatment Plant Facilities Plan which should be referred to when submitting your qualification statement can be found on the City of Shelby Website at <http://www.shelbyohio.org/index.php/visitors/utilities/sanitary-sewer>.

Four (4) copies of the Statement of Qualification should be submitted to the following address:

City of Shelby
43 West Main Street
Shelby, OH 44875

Attn: Joseph C. Gies, C.F.M.
Shelby City Project Coordinator

All questions concerning this Statement of Qualification should be directed to Mr. Gies at 419-342-3600 or to joegies@shelbyohio.org. **A Pre-Proposal Conference will be held in the Shelby City Hall Conference Room, 5 Water Street, Shelby, Ohio, at 1:30 P.M. local time on January 20, 2015. A trip to the Shelby Wastewater Treatment Plant will follow. The plant is located at 3626 London West Road, Shelby, OH 44875**

As required by the Ohio Revised Code 153.65-71, responding firms will be evaluated and ranked in order of their qualifications. Following this evaluation, The City of Shelby will enter into contract negotiations with the most highly qualified firm(s).

The City of Shelby intends to pursue the design of this wastewater treatment plant project in the summer of 2015. Final engineering plans must be submitted to Ohio EPA by December 31, 2015. Regulatory approvals and project bidding will take place in May of 2015. Estimated construction cost for the proposed improvements is \$6,500,000.00.

All design firms responding to this Statement of Qualifications must provide professional liability insurance as required by Ohio Revised Code 153.70.
