Shelby Wetlands

Wildflower Extravaganza April 27th, 2018

The Shelby Wetlands, is a hidden treasure, with a stunning wildflower display that must be seen to be believed. Carpets of Great White Trillium, Virginia Bluebells and Wild Hyacinth festoon the forest floor, sharing the area with over 30 species of spring, ephemeral wildflowers. Guided tours will leave the parking lot at 10:00 a.m. and 1:00 p.m. and will last between one and two hours. Dress for the weather! The Shelby Wetlands are located adjacent to Shelby Reservoir #3, which is located northeast of the city of Shelby on London West Road. From the city of Shelby, take SR 61 north to London West Rd. Turn east (right) on London West Rd. The entrance to the reservoir is about a half mile east of SR 61.
