ORDINANCE NO. 2 -2025
(Sponsors: Councilmembers Roberts and Roub)

ENACTING SECTION 1296.19 (SOLAR ENERGY SYSTEMS) OF THE CODIFIED ORDINANCES OF THE CITY OF SHELBY.

WHEREAS, property owners are increasingly using solar systems, which necessitates the creation of a new section of the Zoning Code of the City of Shelby, Ohio to regulate their use; and

WHEREAS, The Shelby City Planning Commission at its meeting held on January 7, 2025, made a recommendation to the Shelby City Council to enact said section; and

WHEREAS, in accordance with mandates of the Zoning Ordinance for the City of Shelby, a public hearing shall be held concerning the proposed enactment; and

WHEREAS, it is in the public health, safety, morals and general welfare for the citizens of the City of Shelby that Section 1296.19 of Chapter 1296 of the Codified Ordinances of the City of Shelby be enacted.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SHELBY, OHIO, A MAJORITY ELECTED THERETO CONCURRING:

Section 1: That Section 1296.19 (Solar Energy Systems) of Chapter 1296 (Supplementary Regulations) of the Codified Ordinances of the City of Shelby be enacted so that said section shall read as follows:

1296.19 SOLAR ENERGY SYSTEMS.

The City of Shelby has determined to permit property owners in the city to install solar energy systems on their property to provide electric power for the principal and accessory uses of the property and prohibit the use of solar energy systems for the commercial generation of power for sale or use off the property.

(a) As used in this chapter, the following words and terms shall have the definitions indicated:

- 1) "Ground Mounted Solar Energy Systems": means a solar energy system that mounts a solar panel or panels and facilities on or above the ground.
- 2) "Large solar Facility": means a solar facility of fifty (50) or more megawatts which is required to submit an application with the Ohio Power Siting Board (OPSB) at the Public Utilities Commission of Ohio (PUCO) and are required to meet OPSB regulations.
- 3) "Integrated Solar Energy Systems": means a solar energy system that is incorporated into or replaces standard building materials and does not have mounting equipment. For example, these systems may include materials that replace traditional roofing, shingle, or siding materials, awnings, canopies, skylights, or windows.
- 4) "Rooftop Solar Energy Systems": means a solar energy system that is mounted to a structure or building's roof.
- 5) "Small Solar Facility": means a Solar Energy System and associated facilities with a single interconnection to the electrical grid and designed for, or capable of, operation at an aggregate capacity of less than fifty (50) megawatts.
- 6) "Solar Energy": means radiant energy (direct, diffused, or reflected) received from the sun that can be collected and converted into thermal or electrical energy.
- 7) "Solar Energy System": means a system and associated facilities that collect Solar Energy, which may include, but is not limited to, an Integrated Solar Energy System, Rooftop Solar Energy System, or Ground Mounted Solar Energy System.

(b) *Permitted Solar Energy Systems:* The construction, erection, or siting of an Integrated Solar Energy System, Rooftop Solar Energy System, or a Ground Mounted Solar Energy System shall be a permitted principal or accessory use in all zoning districts, except for all residential districts, in the city only if the following requirements are met: (1) the Solar Energy System is sized and used to provide electric power only for the uses on the property on which the System is

located, unless specifically approved by the Director of Public Service or his or her designee per Section (c) herein, and not for the generation of power for sale off the property except for sale to the power company resulting from occasional incidental excess power generation, and (2) the Solar Energy System complies with all of the requirements set forth in this Section.

(c) *Off-premises Connection:* A property owner may be permitted to utilize power generated by a Solar Energy System for use on a separate property as long as the following conditions are met:

1) The property where the Solar Energy System is located and the property where the generated power is to be used are under common ownership.

2) The Director of Public Service or his or her designee affirmatively finds that connections can be attached on poles or lines owned by the City without causing any disruption to City services or other detrimental impact to the community.

3) The City grants a license per a pole attachment agreement to the property owner allowing the owner's requested access to and use of the City's poles or lines for the purposes set forth therein. The license shall be set forth in a written agreement between the City and owner, setting for terms and conditions governing the owner's access to and use of the City's utility facilities.

4) Installation of lines to allow for an Off-Premises Connection as addressed herein will be either: 1) Installed by the City with costs paid by the property owner requesting the connection, or 2) Installed property owner's contractor with prior written permission by the Director of Public Service or his or her designee. Which installation process is used will be selected by the Director of Public Service or his or her designee.

(d) *Prohibited Uses:* The construction, erection, or siting of any Solar Energy System, including any Large Solar Facility, Small Solar Facility or any Integrated, Rooftop, or Ground Mounted Solar Energy System which does not meet the requirements to be a permitted use as defined in Section B above, is prohibited in all zoning districts in the city.

(e) *Requirements for permitted Solar Energy Systems:* A Solar Energy System must comply with the following requirements:

1) Integrated or Rooftop Solar Energy Systems:

A. Height: The maximum height of any Integrated or Rooftop Solar Energy System shall not exceed the maximum height applicable to principal structures located in the zoning district where located. An Integrated or Rooftop Solar Energy System shall not vertically exceed seven (7) feet above the highest point of the roof of the building to which it is attached.

2) Ground Mounted Solar Energy Systems:

A. Height: The maximum height of any Ground Mounted Solar Energy System at any point shall not exceed the maximum height applicable to principal structures located in the zoning district where located.

B. Coverage: The Ground Mounted Solar Energy System shall be included as part of any lot/tract/ground coverage calculation applicable to the zoning district where located. In the event the zoning district does not have a restriction limiting the ground area permitted to be occupied by buildings, structures, parking areas, sidewalks, or other impervious surfaces, the Ground Mounted Solar Energy System(s) shall not exceed in the aggregate 25% of the total area of the lot or tract.

C. Location: Ground Mounted Solar Energy Systems installed as an accessory use are permitted only in the rear yard area. In the case of a corner lot, no Ground Mounted Solar Energy System installed as an accessory use shall be located between a principal building or structure and a public right-of-way. Ground Mounted Solar Energy Systems installed as a principal use may be located on the lot subject to any location restrictions applicable to other principal uses allowed in the zoning district.

D. Glare: Any Solar Energy System shall be placed or arranged in a manner so as not to reflect unreasonable glare onto adjacent buildings, properties, or roadways.

E. Setbacks: Any Ground Mounted Solar Energy System must comply with the setback requirements applicable to the zoning district where located.

3) Applicable to all permitted Solar Energy Systems

A. Maintenance: All Solar Energy Systems must be maintained in good working order at all times. The owner of the property shall, within three months of permanently ceasing use of the Solar Energy System, dismantle and remove the Solar Energy System and, in the case of Ground Mounted Solar Energy Systems, return the property to a graded, seeded and/or landscaped state similar to its condition prior to the construction/installation.

B. Building Permits and Inspections: The installation of any Solar Energy System shall not commence until the property owner has obtained all applicable required Building Permits from all relevant agencies, and all wiring and electrical apparatuses associated with the operation of the Solar Energy System shall meet all applicable local, state and federal codes.

C. Advertising: Solar Energy Systems and the property where located shall not be used for the display of advertising. For the purposes of this section, reasonable and customary identification (name, insignia, logo, and/or similar) of the manufacturer or operator of the system that is incorporated into or manufactured on the equipment itself shall not be considered advertising.

D. Other Restrictions: Solar Energy Systems shall comply with all applicable federal, state, and local laws, rules, and regulations

Section 2: That all other sections of Chapter 1296 shall remain in full force and effect.

Section 3: That all meetings and hearings concerning the adoption of this Ordinance have been in compliance with Codified Ordinance 220.01, Ohio Revised Code Section 121.22, and the Charter of the City of Shelby.

Section 4: That this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and the earliest period allowed by law.

ORDINANCE NO. 3-2025
(Sponsors: Councilmembers Roberts and Roub)

ENACTING SECTION 1296.20 (TRAFFIC IMPACT STUDIES AND ACCESS MANAGEMENT POLICY) OF THE CODIFIED ORDINANCES OF THE CITY OF SHELBY.

WHEREAS, current growth has and changes in transportation methods have made it necessary for the City to require Traffic Impact Studies and Access Management Policy; and

WHEREAS, The Shelby City Planning Commission at its meeting held on January 7, 2025, made a recommendation to the Shelby City Council to enact said section; and

WHEREAS, in accordance with mandates of the Zoning Ordinance for the City of Shelby, a public hearing shall be held concerning the proposed enactment; and

WHEREAS, it is in the public health, safety, morals and general welfare for the citizens of the City of Shelby that Section 1296.20 of Chapter 1296 of the Codified Ordinances of the City of Shelby be enacted.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SHELBY, OHIO, A MAJORITY ELECTED THERETO CONCURRING:

Section 1: That Section 1296.20 (Traffic Impact Studies & Access Management Policy) of Chapter 1296 (Supplementary Regulations) of the Codified Ordinances of the City of Shelby be enacted so that said section shall read as follows:

1296.20 TRAFFIC IMPACT STUDIES AND ACCESS MANAGEMENT POLICY.

(a) To protect the integrity of the roadway system within the City of Shelby, all developments requiring City review will be subject to the processes set forth in the Traffic Impact Studies and Access Management Policy prepared by TMS Engineers, Inc (Attached as Exhibit 1) regarding access request studies (ARS) or traffic impact studies (TIS). Reviews possibly requiring an ARS and/or TIS would include any development requiring:

- 1) Site Plan Review
- 2) Zoning Requests
- 3) Change of Use
- 4) Special Permit Use
- 5) Planned Use Developments
- 6) Variances, and Remodeling/Additions to Existing Properties and Structures

(b) The purpose of these studies is to evaluate anticipated traffic impacts by the proposed use or change of use for a currently developed property. The existing driveway number and location will be reviewed and shall be modified as required to conform to the requirements of the City as provided in the Traffic Impact Studies and Access Management Policy.

(c) Traffic Impact Studies will be required for developments involving a peak hour traffic generation of more than 100 new trips in the peak hour or more than 800 trips on an average day. Developments involving less than this will be required to provide an access request study.

Section 2: That all other sections of Chapter 1296 shall remain in full force and effect.

Section 3: That all meetings and hearings concerning the adoption of this Ordinance have been in compliance with Codified Ordinance 220.01, Ohio Revised Code Section 121.22, and the Charter of the City of Shelby.

Section 4: That this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and the earliest period allowed by law.

ORDINANCE NO. 4 -2025
(Sponsor: Councilmember McLaughlin)

**VACATING AN ALLEY THAT RUNS PARALLEL TO EAST MAIN STREET
BETWEEN LOTS 103, 104, 105, 106, 1396, PART OF OL45 S.D. 5, & PART OF OL48 S.D.
2 WITHIN THE CITY OF SHELBY, RICHLAND COUNTY, OHIO.**

WHEREAS, on the 16th day of December 2024, the Council of the City of Shelby adopted Resolution No. 59-2024 declaring its intent to vacate an alley that runs parallel to East Main Street between lots 103, 104, 105, 106, 1396, PART OF OL45 S.D. 5, & PART OF OL48 S.D. 2; and

WHEREAS, notice of adoption of the above resolution has been given to the owners of property abutting said roadways effected by said resolution, notifying said property owners of the time and place at which objections could be presented to the Board of Revision of Assessments (pursuant to Section 105 of the Charter of the City of Shelby); and

WHEREAS, the Board of Revision of Assessments met on January 23, 2025 and voted to approve and recommend the vacation of an alley that runs parallel to East Main Street between lots 103, 104, 105, 106, 1396, PART OF OL45 S.D. 5, & PART OF OL48 S.D. 2; said hearing and procedure being in accordance with the provisions of Section 105 of the Charter of the City of Shelby, Ohio; and

WHEREAS, this Council is satisfied that there is good cause for vacating said roadways hereinafter described and that said vacation will not be detrimental to the general interest and public welfare.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF
SHELBY, OHIO, A MAJORITY ELECTED THERETO CONCURRING:**

Section 1: That an alley that runs parallel to East Main Street between lots 103, 104, 105, 106, 1396, PART OF OL45 S.D. 5, & PART OF OL48 S.D. 2 as set forth in the plat and legal description as prepared by Seiler & Craig Surveying, Inc.- Chad Craig, Registered Surveyor on December 6, 2024 is hereby vacated.

Section 2: That in accordance with Section 105 of the Charter of the City of Shelby, Ohio, the City shall retain any and all easements necessary for the maintenance of utilities currently located within said roadway.

Section 3: That all meetings and hearings concerning the adoption of this Ordinance have been in compliance with Codified Ordinance 220.01, Ohio Revised Code Section 121.22, and the Charter of the City of Shelby, Ohio.

Section 4: That this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and the earliest period allowed by law.

ORDINANCE NO. 6 -2025
(Sponsors: Councilmembers Roberts and Roub)

AMENDING SECTION 1490.08 OF CHAPTER 1490 (EXTERIOR PROPERTY MAINTENANCE) OF THE CODIFIED ORDINANCES OF THE CITY OF SHELBY.

WHEREAS, Section 1490.08 contains regulations for Exterior Property Maintenance in the City of Shelby; and

WHEREAS, Shelby City Council is desirous to amend said regulations; and

WHEREAS, it is in the interest of the public health, safety, morals, and general welfare of the citizens of the City of Shelby that Section 1490.08 of Chapter 1490 of the Codified Ordinances of the City of Shelby be amended.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SHELBY, OHIO, A MAJORITY ELECTED THERETO CONCURRING:

Section 1: That Section 1490.08 (Enforcement) of Chapter 1490 (Exterior Property Maintenance) of the Codified Ordinances of the City of Shelby be amended so that said section shall read as follows:

1490.08 Enforcement

(a) The Mayor and/or his or her designee shall enforce the provisions of this chapter as set forth herein.

(1) Inspection. All buildings and premises within the city are subject to exterior inspections from time to time by the Mayor and/or his or her designee.

(2) Notice of violation.

A. Where a violation of any provision of this chapter is found to exist, the Mayor and/or his or her designee shall cause a written notice of the violation to be served upon the person responsible for the correction thereof. The notice shall specify the violation committed and shall provide for a reasonable period of time, not more than 60 days, to correct or abate the violation. In the event that weather is a major consideration in correcting or abating a violation, the Mayor and/or his or her designee may extend the time set out herein to not more than 60 days immediately following the occurrence of appropriate weather conditions.

B. Notice may be served personally or by certified mail addressed to the last known address of the person to be served, or by leaving a copy thereof at the usual residence of the person to be served. If the last known address cannot be ascertained, the notice shall be posted on the outside front entrance of the structure in alleged violation. Only one notice per 12 months under this section is required for a lot or parcel. If, after a notice has been served in accordance with this section, and the Director of Public Service, or his designated agent, determines that a similar violation has occurred, the city may proceed with the remedy set forth in §1490.99 without further notice.

C. In the absence of an appeal, as provided below, completion of notice and failure to comply shall constitute a final order as to these administrative proceedings.

(3) Appeal.

A. Within ten days of the date of service of the notice of violation, any person affected by the notice may request a hearing thereon before the Zoning Board of Appeals by filing a written request with the Chairperson of the Board. The Chairperson of the Board, upon receipt of the request, shall, within 30 days therefrom, and upon five days' notice to the party and the Mayor and/or his or her designee, set the matter down for hearing. The Board may sustain, modify or dismiss, in whole or in part, any action required to correct or abate the violation set forth in the

notice and shall issue an order incorporating its determinations, and the order shall be a final order as to these administrative proceedings; provided, however, that any order of modification or dismissal shall be effective for two years following the date of issuance of the order, and thereafter the subject of the order of modification or dismissal may be amendable to further inspection, notice and appeal as set forth herein.

B. The Zoning Board of Appeals shall consider only the following in determining appropriate action to be taken:

1. Any modification of the original order of the Mayor and/or his or her designee shall not, in any material way alter the standards of this chapter and shall not affect detrimentally the health or safety of occupants or the health, safety and welfare of the occupants or owners of adjacent premises or of the immediate neighborhood; and

2. Strict enforcement would constitute an undue and unnecessary hardship on the owner, manager or resident by reason of compelling an expenditure for repair of the premises which would be substantially disproportionate to any benefit to health, safety or welfare of the community that might be derived therefrom.

(b) No license or permit or other certification of compliance with this chapter shall constitute a defense against any violation of any other local ordinance applicable to any structure or premises, nor shall any provision herein relieve any owner, manager or resident from complying with any such provision, nor any official of the city from enforcing any such other provision.

Section 2: That all other Sections of Chapter 1490 of the Codified Ordinances of the City of Shelby shall remain in full force and effect.

Section 3: That all meetings and hearing concerning the adoption of this Ordinance have been in compliance with Codified Ordinance 220.01, Ohio Revised Code Section 121.22, and the Charter of the City of Shelby, Ohio.

Section 4: That this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor, and the earliest period allowed by law.

ORDINANCE NO. 7 -2025
(Sponsor: Councilmember McLaughlin)

AUTHORIZING THE MAYOR AS DIRECTOR OF PUBLIC SERVICE TO ENTER INTO A CONTRACT WITH THE INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL 18-S UNIT B, AND DECLARING AN EMERGENCY.

WHEREAS, City Council and the Administration have conducted extensive negotiations with the International Union of Operating Engineers, Local 18-S Unit B; and

WHEREAS, such negotiations have provided a tentative agreement between the parties; and

WHEREAS, City Council and the Administration have reviewed such proposal and desire to ratify and adopt such agreement.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SHELBY, OHIO, A TWO-THIRDS (2/3) MAJORITY ELECTED THERETO CONCURRING:

Section 1: That the Mayor as Director of Public Service is hereby authorized and directed to enter into agreement with the International Union of Operating Engineers, Local 18-S Unit B on behalf of certain service workers, a copy of which is attached hereto and made a part hereof as though fully rewritten herein.

Section 2: That it is found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were passed in an open meeting of this Council and that all deliberations of this Council and any of its committees that resulted in such actions were in meetings open to the public and in compliance with all legal requirements.

Section 3: That any and all ordinances in conflict with the express provisions of this Agreement are superseded by this Agreement.

Section 4: That all meetings and hearings concerning the adoption of this Ordinance have been in compliance with Codified Ordinance 220.01, Ohio Revised Code Section 121.22, and the Charter of the City of Shelby, Ohio.

Section 5: That this Ordinance is hereby deemed to be an emergency so as to meet the ongoing contractual and/or monetary obligations of the City of Shelby Ohio and, therefore, shall be in full force and effect from and after its passage, approval by the Mayor, and the earliest period allowed by law.

RESOLUTION NO. 3 -2025
(Sponsors: Councilmembers Martin and Roberts)

AUTHORIZING THE MAYOR AS DIRECTOR OF PUBLIC SAFETY OF THE CITY OF SHELBY TO APPLY FOR THE 2025-2026 TRAINING AND EQUIPMENT GRANT FOR THE PURCHASE OF EMS SUPPLIES.

WHEREAS, the Ohio Department of Public Safety provides financial assistance for fire department purposes through the 2025-2026 Training and Equipment Grant; and

WHEREAS, the City of Shelby Fire Department desires financial assistance under the Fire Department Individual Equipment Grant Program to purchase EMS Supplies; and

WHEREAS, it is in the interest of the public health, safety, morals, and general welfare of the citizens of the City of Shelby that the Mayor as Director of Public Safety of City of Shelby apply for the 2025-2026 Training and Equipment Grant.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SHELBY, OHIO, A MAJORITY ELECTED THERETO CONCURRING:

Section 1: That the City of Shelby Council approves an application for financial assistance for EMS Supplies.

Section 2: That the Mayor as Director of Public Safety is hereby authorized and directed to execute and file an application with the Ohio Department of Safety and to provide all information and documentation required to become eligible for possible funding assistance.

Section 3: That the City of Shelby does agree to obligate the funds required to satisfactorily complete the proposed project and become eligible for reimbursement under the terms of the 2025-2026 Training and Equipment Grant.

Section 4: That all meetings and hearings concerning the adoption of this Resolution have been in compliance with Codified Ordinance 220.01, Ohio Revised Code Section 121.22 and the Charter of the City of Shelby, Ohio.

Section 5: That this Resolution shall be in full force and effect from and after its passage, approval by the Mayor, and the earliest period allowed by law.
